

Volunteering Opportunities

Hastings area – August 2020

Here are a few volunteering opportunities that we are highlighting this month. Are you interested in any of them?

The Chat Project needs you!

Do you enjoy the company of children? Have you an hour a week to spare to talk to children in their playground? We have a particular need of older male volunteers – though all volunteers are of course gratefully received! The Chat Project aims to help children to speak and to listen. At the same time, it establishes and develops a positive relationship between schools, their pupils and the community. The role comes with Safeguarding training, and also Listening Skills training. Alexandra Park Greenhouse Group are looking for a Community Networker. Can you bring enthusiasm and drive to our fundraising events?
