

Are you an experienced Nurse with a proven track record in supervising others? Would you like to lead the clinical aspects of an innovative community outreach service?

Thrive Tribe have recently been appointed to deliver an integrated healthy lifestyle service in East Sussex. As a valued delivery partner, Sussex Community Development Association will be delivering a large number of NHS Health Checks within the county, and are putting together a first-class team to deliver aspects of the programme.

SCDA are looking for a Health Check Project Manager (qualified Nurse), to manage, oversee and clinically direct a small team of Health Navigators; to work in an outreach capacity delivering NHS Health Check provision across some of the most marginalised populations in the county.

As Project Manager you will oversee and direct the team, establishing clinical governance procedures for community outreach, and work with Thrive Tribe's engagement and quality leads to ensure joined up delivery.

We are looking for an experienced and dynamic team manager who will work in line with our values with a proven track record or desire for genuinely supporting health improvement for people.
