

FUNDING

Small grants guide for voluntary and community groups in the Hastings area September 2024

This funding guide has been produced to provide clear and up-to-date information about some of the most useful small grants (up to around £20,000) that are available for voluntary and community groups in Hastings and the surrounding area.

Before you can apply, many funders require you to have:

- a committee (or other decision-making group)
- a constitution (or other governing document)
- a bank or building society account
- a set of independently examined accounts (or a financial forecast for a new group)
- a child / vulnerable adult protection policy (if relevant)

If you need support with any aspect of setting up or running a voluntary or community group, Hastings Voluntary Action may be able to help.

This guide is part of a wider Funding Advice Service for Hastings groups, including:

- Reviewing funding applications and offering feedback
- Training courses on funding and fundraising issues
- Publicising funding sources in HVA newsletter and elsewhere
- Occasional e-bulletins with time-sensitive information for fundraisers
- Providing specific funding information and advice for organisations
- Lending fundraising books and guides

For more information about the Funding Advice Service, contact **Peter Thorpe** (peter@hastingsvoluntaryaction.org.uk) or phone HVA on **01424 444010**.

Things sometimes change rapidly and the list is updated on a regular basis, but if you spot anything that is no longer correct then do let us know!

Also feedback is important – please tell us about your funding successes (and failures!). Your feedback could help us to continue the Funding Advice Service in the future.

Good luck in your fundraising!

****UPDATED** Sussex Community Foundation**

Sussex Community Foundation administers a wide range of different grants. Their **General Grants** are usually up to £10,000. Grants are assessed three times a year, and the next deadline is **5pm 10 January 2025 or 9 May 2025** (with decisions typically 2-3 months later). These grants will support voluntary organisations working in Sussex that are seeking to address social and economic disadvantage and deprivation across Sussex.

Applications will need to meet one of their four funding priorities:

- Tackling poverty: *Reducing poverty and disadvantage in our communities.*
- Improving health: *Helping people live longer, better lives.*
- Reaching potential: *Providing life-changing skills, education and training.*
- Acting on climate: *Taking local action for the climate*

They are particularly keen to support grassroots community groups and small-to-medium sized voluntary organisations. General round grants are available to cover a range of core and project costs including support for work planned in response to the cost of living crisis.

For more information about any of their grants contact the **Sussex Community Foundation** on **01273 409440** or visit **www.sussexgiving.org.uk**

****UPDATED** Awards for All**

Awards for All is the small grant programme of the National Lottery Community Fund. It aims to help to improve local communities and the lives of people most in need.

There are no deadlines, and groups can apply anything from £300 to £20,000 across 2 years. Grants can pay for a wide range of things such as equipment, one off projects, running costs, staff or volunteer costs. Decisions are currently taking 16 weeks.

Your project must meet at least one of the following aims:

- build strong relationships in and across communities
- improve the places and spaces that matter to communities
- help more people to reach their potential, by supporting them at the earliest possible stage.
- support people, communities and organisations that are facing increased demands and challenges as a direct result of the cost-of-living crisis.

You also need to show how you have or will involve your community in the design, development and delivery of the activities that you are planning.

Visit **www.awardsforall.org.uk**, or call their advice line on 0345 4102030.
