

Volunteering Opportunities

Hastings area - October 2019

Here are a few volunteering opportunities that we are highlighting this month. Are you interested in any of them?

Hastings Museum – Collections Volunteers

Volunteering with us is a great way to meet like-minded people, develop skills and have fun. As a collections volunteer you will be helping to improve the care and documentation of the museum's collections. You will be an important part of our plans to deliver an exciting and engaging exhibition, *Wunderkammer: Hastings Curiosities*, while making significant improvements to our stores, collections care and documentation. We provide a full induction and training. For more information please visit: <http://www.hmag.org.uk/aboutus/getinvolved/> email museum@hastings.gov.uk or call 01424 451052.

Ore Community Land Trust – Woodland Work Volunteers

We are looking for volunteers to help with knotweed eradication, path clearance, woodland management, stream clearance, replanting and maintaining the bridges and streams across the 13 acres of protected green space. We work together as a team and provide refreshments, equipment and basic training. Visit www.orecommunitylandtrust.org.uk email ore.clt@hotmail.com or call 07383000673.
