

Volunteer Opportunities Of The Month

Hastings area – April 2024

Rare bee project! Groundwork South in partnership with Hastings Borough Council have received funding to help support rare bees in Hastings. This will be done by creating new native wildflower areas, planting hedgerows, trees and other habitat improvements to provide more food and nesting areas for these important pollinators. There will be opportunities for the local community to get involved, with practical work such as planting hedges and also taking part in bee surveys throughout the summer months. If you are interested in getting involved, please contact jill.tyson@groundwork.org.uk

Amateur sports club **Hastings Rounders** is looking for an enthusiastic volunteer to remotely support with social media . The role requires a few hours a week to manage Facebook and Instagram posts promoting the week's games on Tuesday, Wednesday and Thursday and some reminders on non-match days. It would be on average about 5 hours per week. Email hastingsrounders@gmail.com. An interest in rounders would be great but not essential! Free rounders sessions are included. We can offer you free rounders-related training, like umpiring and first aid. We would also encourage you to take part in some online social media training if appropriate. Follow our Facebook [page](#) or join our [group](#)!

The **Fitness Assistant Volunteer at the Isabel Blackman Centre** is a big part of the Fitness team, working closely with the Fitness Coordinator, Centre Manager, and other volunteers to support the running of the Fitness Studio and Gym. For further details of this exciting volunteering opportunity please contact: volunteers@ageukeastsussex.org.uk, call 01273 476704 or click [HERE](#).

Why not give volunteering a try!

If none of the above roles are quite right for you, contact Hastings Voluntary Action on 01424 444010 or visit HVA's website for more ideas.
