Insurance guidance for community groups in greenspaces

Guidance from Parks Community UK

 $\underline{Insurance - we look \ at \ the \ different \ types \ and \ whether \ you \ need \ it: Parks \ Community \ \underline{UK}$

There are a wide range of web resources to help. The following are the best so far:-

Although not an easy read being 'rule book' heavy written for prospective trustees, the Charity Commission <u>detailed guidance to protecting your charity/ charities and insurance cc49</u> is very thorough.

For events: This link is the government 'can-do' guide for organisers of voluntary and community events.

RHS

All community gardening groups, including Britain in Bloom and RHS It's Your Neighbourhood groups, are eligible for insurance through the RHS.

Insurance cover is supplied by **NFU Mutual**.

Applications and enquiries are managed by our supplier **AON/Sports Insure**. To apply for insurance at any time of year, enquire about levels of cover, read FAQs or change your contact details for insurance purposes please visit their dedicated **RHS Insurance Portal**.

Ansvar - Protecting your community. Insuring your future.

Specialist insurance for associations or organisations dedicated to a particular interest or activity such as community groups.

TCV | The Conservation Volunteers

A common insurance used by many community organisations and friends of Groups; it is underwritten by Zurich but TCV (formerly BTCV) act as brokers for you and help you through the process.

<u>Community Garden Insurance | Gardeners Public Liability Insurance | Get a Free Quote -</u> Park Insurance

Park Insurance brokers are regulated by financial governing bodies, and as such offer you impartial advice designed to find you the best deals at the best prices.
